

Directions to the School of Evolutionary Herbalism

ADDRESS: 9452 Sterling Creek Road. Jacksonville, OR 97530

Please read these directions thoroughly because there are specific details you'll need to know. We live outside of cell phone range, so you can't necessarily rely on your GPS and if you get lost you can't call us from this area. You can look up our address on Google maps, but choose the route that matches these instructions.

Sometimes GPS will send you down roads that aren't accurate (For example: DO NOT take Griffin Lane if it tries to send you down that road! It's steep, graveled and bumpy- not a good road to drive on). Be aware that there are a few roads with similar names in the area (For example: Griffin Lane vs. Griffin Creek Rd. vs. W. Griffin Creek Rd.) - don't mix these up! You have to pay close attention!

SUPER IMPORTANT: you're also going to need the gate code to get up to our land, so please bring that with you! **The code is 4230**

Directions From the North:

Take I-5 South and take the exit for highway 238 towards Jacksonville. Turn right at the stop sign in town to stay on 238- this will take you through main street in downtown Jacksonville.

Once you pass through the town of Jacksonville (about 10 minutes from I-5) drive about 3 miles. You will start driving up a steep hill. At the top of this hill, turn LEFT on Cady Road.

It sneaks up on you, so be aware!! If you have reached the little town of Ruch, you've gone way too far.

Drive 1/4 mile down Cady Road and turn RIGHT onto Sterling Creek Road.

Go 9 miles down Sterling Creek until you see a large row of mailboxes on the right and an uphill dirt driveway to the right- our address is 9452. (We are just past mile marker 9). Turn RIGHT here.

Drive for approx. 5-7 minutes up the dirt road until you reach the electric gate. (There is another driveway with an electric gate about 1 minute down the driveway, keep left and make sure you keep going until you reach the gate that is in the middle of the road, keeping you from traveling any further).

Enter the gate code **4230** and take the first left to our land (You'll see a red house, which is ours).

Park in the main parking lot there and come to the easy up tent where you can check in and get registered.

Directions From the South:

Take I-5 North and take exit 24 toward Phoenix.

Keep LEFT at the fork to merge onto N Phoenix Road. Go about 1/2 mile.

Turn RIGHT onto OR-99 N/Main St. Continue to follow OR-99 N, driving for about a mile.

Turn LEFT onto S Stage road, and drive for 3.4 miles.

Turn LEFT onto Griffin Creek Road and drive another 1.2 miles.

Turn RIGHT onto W. Griffin Creek Road/Poorman's Creek Road. This is the point where I lose cell phone reception (on AT&T). Continue onto Poormans Creek Road until it ends.

Turn LEFT onto Sterling Creek Road and drive about 8 miles. Our driveway will be on the right. It's easier to miss it coming from this direction, so drive slow and look closely. We are just past mile marker 9.

You'll see a large row of mailboxes on the right and a tall post with lots of addresses posted on it (you'll see ours on there) and a dirt road heading up a hill on the right side of the road.

Drive for approx. 5-7 minutes up the dirt road until you reach the electric gate. (There is another driveway with an electric gate about 1 minute down the driveway, keep left and make sure you keep going until you reach the gate that is in the middle of the road, keeping you from traveling any further).

Enter the gate code **4230** and take the first left to our land (You'll see a red house, which is ours).

Park in the main parking lot there and come to the easy up tent where you can check in and get registered.

Have wonderful and safe travels! We are excited to welcome you to our home.
